See You IN CHURCH Sunday

RIGHTLY are we proud of the technical skill we have incorporated into the Giant B-36. What organization of power! What a miracle of speed! Specifically, it has a wingspan of 230 feet, is 162 feet long and nearly 47 feet high. Its maximum bomb load is 84,000 pounds. *May she never be forced by our warped-minded enemies to dump her loads of devastation on innocent peoples. She knows her goal; the way is marked; her instruments are set. Let those who would mock God and destroy His Church never challenge her capabilities. She has Spiritual Precision.*

OF COURSE the giant pictured here above the clouds is a mechanical marvel. But *The President of the World Incorporated* is much more interested in how we deal with flesh-and-blood persons. We are commanded to go into all the world and preach His cause. The Church is His Temple and our place of worship. How much more of value is a man than a ship? How far will we go to church? How far will we travel for Him? Some day we shall hear the Master say, "Inasmuch as you did it unto one of the least of these, you did it unto me." May our B-36 be His ambassador, His servant.

'A Church for Yamoto'

Church in Japan Founded by 578th

Men of Torrance and other Southland cities which make up the 578th Engineer Combat Battalion decided to give a church to the remote Japanese village of Yamoto soon after they arrived in Japan last April.

And, although the battalion has been fighting in Korea with the 40th Division since January, contributions continue to roll in. Battalion Chaplain Chester O. Mulder announced recently that the 578th's contributions already amount to more than \$1500.

In addition, the Church of the Nazarene's Japan organization has agreed to match the battalion fund, dollar for dollar, so that the projected \$8000 structure will be completed by late summer.

The story of "A Church for Yamoto" started last spring when the battalion, then on security duty in Japan, moved into nearby Camp Matsushima.

Travel In Junks Told In Latest 'Killman Reports'

"Sinbad the sailor and the Ancient Mariner would have had a hard time keeping up with the team on the shores of Red China, preaching the Gospel of St. John to the natives there. Travel was by means of a Chinese junk—under very adverse conditions, Mr. Killman's latest letter states.

The team went from island to island off the shores of Red China, preaching the Gospel of St. John to the natives there. Travel was by means of a Chinese junk—under very adverse conditions, Mr. Killman's latest letter states.

Members of the team were mistaken for guerrillas because to their knowledge they were the only Americans on the tiny Kinmen island. After making closer personal contacts, however, they learned of an underground guerrilla "school" which they were permitted to visit.

"It was a thrill to speak to these men who were willing to risk their lives for their country in this way," Mr. Killman's report reads. "We spoke of another man who laid down his life for them. Many of them responded."

Mr. Killman and his team spoke to 10,000 men on Kinmen Island. More than one-third took a special correspondence course on Christianity, which is offered by the missionaries, and Mr. Killman states, they finished the course with more than 1,000 true followers of Christianity.

Boys Seek Scout Leader

An urgent call for adult leaders for the Walteria Scouts was sounded this week after a group of boys met and were promised help with a troop reorganization if the adult leaders could be found.

Bob Schraubem, who can be reached at Lomita 1116-W, has all of the details. Requirements for Scout leaders include training in Scout leadership (provided by Boy Scouts), and interest in the welfare of boys, and a small amount of time which can be devoted to work with the boys. A meeting of the boys at the Walteria Elementary School has been scheduled for 8 p.m., March 28. Interested adults may attend.

Fire Training Program Under Way at National

Twenty-eight men at National Supply began a fire training school, presented by Chief J. J. Benner last Thursday afternoon as part of the city's Civil Defense program.

Captain E. K. Walker is instructing the course, Benner said.

Reflections

By J. HUGH SHERFEE, JR.
HAPPY BIRTHDAY, CAMP FIRE GIRLS

There is one time in our lives when communion of spirit crowds out material things, when soridness is held in shadow and the common place disappears. That time is at night, around a Camp Fire.

Around that Camp Fire there is beauty of hanging stars, silence of night pulls the curtain over worry and unpleasant things, flickering flames send stabs of illumination to careen features of comrades while hearts beat in rhythm to the mystery of creation. What a wonderful setting for fine characters, advice on better ways to live, and suggestions to appreciate spiritual values.

On the 21st we salute you and your leaders and wish you happiness and success.
